12:00 noon - done (11:30 Uniform check out daily)

Friday, August 6 - 6:30 pm cookout and marching exhibition on big field

ABOUT THE CAMP

** This camp is held to get a head start on marching fundamentals, pre-game and half-time show, and for the band to get together and know each other (200 members). Due to the confusion a space makes on the field if even one person is absent, it is integral that all members are present every day. Each student will learn over 20 moves on the field and over 10 songs. If a student is not able to make a day, the parent needs to e-mail Mr. Stahly (cstahly@usd345.com) as soon as they can so arrangements can be made.

WHAT TO BRING

** Instrument and music - if you rent from the school, make arrangements with Mr. Stahly to get it in the summer or exchange SMS instrument when you come to camp. It will be very warm, so wear correct clothing, bring water bottle, and wear tennis shoes!

GETTING THE MUSIC

** You will receive your own marching folder, but if you do not already have the music by the end of school, you can assume a section leader will call and get music to you by June 1. You can then start working on playing the music. It is important to get the cobwebs out and be able to play most of the music for the first day of camp. Please note that all music will be memorized for the first game (September 3rd). Do not worry about memorizing music over the summer, just play it!

PEOPLE TO CONTACT

** Always feel free to contact your friendly directors if you have questions!

Director Of Bands	Mr. Stahly	224.3843
Assistant Director	Ms. Seago	408.9649
Percussion Director	Mr. Davis	215.9941
Marching Director	Ms. Reb	221.1061
Color Guard Sponsor	Ms. Sells	221.9154
